## PETITION TO CHANGE TERRITORIAL LIMITS

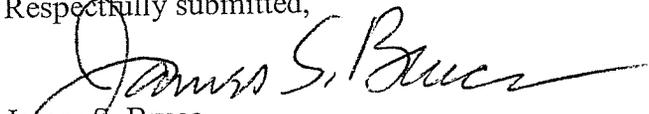

1. Hardin County Water District No. 1 ("HCWD") provides water services to the residents of Hardin County, Kentucky and also provides water services to the Cities of Vine Grove, Hardinsburg and to the Meade County Water District;

2. HCWD has entered into an agreement with the Department of Defense to provide waste water treatment facilities at the Fort Knox military installation. A portion of the military installation which the District will be serving is located in Meade County, Kentucky. For that reason, the District respectfully requests that the Meade County Judge Executive enter the attached Order authorizing the District to provide sewer services to the Van Voorhis housing area and to the Camp Carlson area, Fort Knox, Kentucky both of these areas being located in Meade County. HCWD will also be providing waste water treatment services to the City of Muldraugh. Please see the attached map. The blue areas will be serviced by HCWD.

3. Attached hereto and incorporated herewith are letters from two freeholders in Meade County, Kentucky as required by KRS 74.115.

4. Notice of this request has been published in the Meade County Messenger.

Respectfully submitted,

  
James S. Bruce  
General Manager  
Hardin County Water District No. 1

Re: Expansion of Sewer Services

Dear Judge Haynes:

I am writing to request that you enter an Order authorizing the Hardin County Water District to extend sewer services into that portion of the Fort Knox Military Installation which lies within the boundaries of Meade County. This will enable the City of Muldraugh to continue to receive waste water treatment services by utilizing the waste water treatment facilities on post. This is of great benefit to the City because the facilities on Post are by far the most economical way to treat the City's waste water. Accordingly, I would ask that you approve the Order allowing Hardin County Water District No. 1 to serve that portion of Fort Knox which in fact lies within the boundaries of Meade County.

Sincerely,

John Carlberg

Ref: Expansion of Sewer Services

Dear Judge Haynes:

The undersigned is the Mayor of the City of Muldraugh. For many years, our city has disposed of its sewer by contract with the Department of Defense. The Department of Defense has now contracted with Hardin County Water District No. 1 to run its sewer disposal operations. As a result of that agreement, I am requesting that you enter an Order approving the expansion of the Hardin County Water District's territory into that portion of Fort Knox which lies within Meade County. The area in question is the blue shaded area on the enclosed map. This will enable the City of Muldraugh to obtain sewer disposal services by utilizing the Army's waste water treatment facility. Your attention to this matter is appreciated.

Sincerely,

Danny Tate  
Mayor, City of Muldraugh

ORDER OF MEADE COUNTY JUDGE EXECUTIVE

This matter has been brought before the Meade County Judge Executive upon application of the Hardin County Water District No. 1;

Written request has been submitted to two (2) freeholders in Meade County, Kentucky;

Notice of the Petition has been published in the Meade County Messenger on the \_\_\_ day of \_\_\_\_\_, 2005;

The Judge Executive having considered the request and the proposal, and finding said request to be reasonable, hereby approves the extension of the boundaries of the Hardin County Water District #1 into that portion of Meade County located within the boundaries of the Fort Knox military reservation and identified as the blue shaded area on the attached map. Said map is incorporated into this Order. This expansion is for the purpose of providing waste water treatment services.
